

## **5<sup>th</sup> biennial Zoo Animal Nutrition Conference**

Marwell Wildlife is pleased to announce our 5<sup>th</sup> biennial Zoo Animal Nutrition Conference taking place on 30 April - 1 May 2020 (icebreaker on 29 April). Our keynote speaker will be Comparative Animal Nutritionist Dr. Ellen Dierenfeld who will be talking on "Current Issues in Feeding Captive Wildlife Species".

Presentations will cover nutritional aspects across all taxonomic groups and confirmed topic areas already include:

- Animal feed operations within zoos including browse provision
- Starve and feast feeding regimes for large carnivores
- Human behaviour change workshop
- Zootrition software workshop.

We would also like to invite delegates to submit abstracts for oral or poster presentations by 17<sup>th</sup> February 2020. Please email Jackie Squires at [jackies@marwell.org.uk](mailto:jackies@marwell.org.uk) for further details.

Registration for the conference will open in January 2020.  
We hope to see you there!
