

Dear Colleagues

We heard this morning that Professor Peer Zwart celebrated his 90th birthday on Tuesday 5th May.

See **below**, including the image of him and a message thanking his family and friends (Margaret has translated it, with the aid of the computer, as "All giant(ic) thanks. It was an incomparable birthday").

Please feel free to tell others about Peer Zwart's 90th birthday.

Best wishes

John and Margaret Cooper
