

Subject: EAZWV Student Grants - Kolmarden Conference

Dear Regional Section representatives,

I'm contacting you on behalf of the EAZWV Student Board to advertise our recently created Student Grants. For the first time this year we are offering the registration cost for the Kolmarden Conference to 4 under or post-graduate students.

The Grants were created mainly to help students from under-represented countries in EAZWV, but we welcome any application from dedicated students. I was hoping you could forward this through your relevant contacts, whether they be individual interested students, student associations, universities, etc. Although applications for Conference Grants are now open until the end of the month, we will soon also open applications for grants for the Student Workshop (which this year will be in Munich, about Reptile, Amphibians and Invertebrate Medicine), for EAZWV Student membership and for submission of an article to the JZWM.

2019	EAZWV Student Membership	Zoo And Wildlife Health Conference Registration	Student Workshop Or Summer School Registration	Journal Of Zoo And Wildlife Medicine Article Submission Fee
Prerequisites	Enrolled in educational programme	EAZWV Student Member May be required to help during the Conference for a few hours	EAZWV Student Member	EAZWV Student Member
Number of grants provided	10	4	2	2
Time of Application	October or November	February or March	April or May	October or November

All the information and application form can be found here —

> https://www.eazwv.org/page/student_grants

And feel free to forward any questions or interested party to us, at students@eazwv.org.

Thank you very much for your help!

Kind regards,
Sara
Student Section President
