

## **Rare and Exciting Exotic & Zoo Opportunity – BEDFORD**

Due to relocation, we are looking for an experienced exotics vet to join a 15 vet small animal & exotic practice.

First established in 1955 and now one of only a few remaining independent practices in the local area, Scott Veterinary Clinic proudly delivers an excellent standard of RCVS accredited veterinary care in Bedfordshire. Committed to providing professional and compassionate care, our dedicated team provides a comprehensive range of services. Our modern, purpose-built primary site is situated in a prominent location in the County Town of Bedford with excellent road and train links to London, Cambridge and the north.

The successful candidate will work alongside our RCVS Recognised Specialist in Zoo and Wildlife Medicine, must have at least 4 years experience in exotic animal practice and be working towards or have further qualification in this field. Zoo experience is preferred but not essential.

This position consists of exotic 1<sup>st</sup> opinion and referral work, small animal and some zoo work. Out of hours support will be required with minimal out of hours duties expected.

Successful applicants must be caring and enthusiastic, friendly and proactive. Excellent communication and customer service skills are essential. We encourage and support further learning, therefore a keen enthusiasm for progression within zoo and exotic medicine will be nurtured.

This is a full-time position, including some evenings and weekends. We have a comprehensive induction programme and the case load is varied, challenging and rewarding.

Salary is commensurate with experience and an attractive benefits package is offered. Our Christmas parties and annual rounders match are pretty good fun too!

If working at Scott's is of interest to you, please send your CV and letter of intent to Maxine Ketley, Business Development: [maxine@scottveterinaryclinic.co.uk](mailto:maxine@scottveterinaryclinic.co.uk)
