

Cambridge

VETERINARY GROUP

An exciting opportunity has arisen for an experienced Exotics Veterinary Surgeon to join our team in the beautiful city of Cambridge. We see a wide range of exotics and have vivaria and heated bird cages to accommodate these species as well as extremely competent nurses, trained in husbandry and anaesthesia. We also provide services for a local Animal Training Centre who host a diverse zoological collection. A leadership role would be considered as well as someone who is willing to train our more junior vets. Ideally the candidate would also be happy to see routine dogs and cats.

The position is part-time (hours to be discussed) and includes 6.6 weeks holiday per annum (pro rata), CPD allowance, Birthday leave and Private Medical Insurance.

Salary commensurate with experience.

Please submit your CV and interest to Claire Ross (Practice Manager)
