Vet vacancy

We are looking to hire either a part time vet at our small animal/exotics branch located in Shifnal, or a full-time vet split between our branch and small animal hospital in Wolverhampton.

We are a small but busy practice based in Shropshire with an experienced and hard-working team.

Varied caseload with a mixture of small animals, reptiles, birds, small furies and zoo species. Experience with exotic species is desired but not essential.

The ideal candidate will be comfortable with routine and emergency consultations and routine surgeries. The ability to work as part of a team with the occasional requirement to work sole charge is essential. This job affords a very good work life balance and the opportunity to develop further skills and to be part of a friendly team within a lovely community.

To discuss this position further or to apply for the position please email a covering letter and CV to julieann.taylorandmarshall@hotmail.co.uk .

Deadline 1st June, 2020.
